## EXTORT COOPERATION

## DOWNGRADE - INTEL

When you resolve this die showing a resource, place those resources on this downgrade instead of gaining them.

**Action** - Remove a number of resources equal to the point value of attached character from this downgrade and discard it to take control of attached character.

## TAILED

### DOWNGRADE - INTEL

After attached character is activated, force its controller to choose one of attached character's character dice. Then you may spot an exhausted character or discard this downgrade to turn that die to any side.
